Who Is INTELLIGIAN Management Consulting?

Intelligian Management Consulting is a youth owned business, nationally recognized consulting firm with a distinctive and well-driven staff of professionals, offering high end solutions to all technical matters that businesses encounter. IMC offers specialised accounting and taxation solutions along with other professional services to meet all business' requirements seeking to go above and beyond for all clients.

IMC, a youth-owned business that is driven and constantly show dedication in their field of expertise proving their capabilities timeously. Tasks are carried out with zero-time latency ensuring that delivery is as per client's expectations, on a personal and professional level.

IMC's ability to adapt to new situations, having to bring about different strategies to newly implemented tasks and being able to deliver under time-constraints has given IMC a competitive edge. A youthful and responsible workforce has been observed to carry out each service that IMC specialises into its highest degree, timelessly.

Due to a youthful workforce, IMC can be referred to as a fun-sized business. One would observe the staff to be very energetic and sociable which is vital for times they would work under pressure. Their sociable energy helps to bring about tranquillity, relieving any pressures.

PROFESSIONAL PILLARS

Though IMC ensures to bring quality services, they are not just a supplier of financial affairs but a business partner as well. Their alliances with businesses help to broaden their knowledge and become more skilled. IMC aligns their core values with their affiliates to bring about a professional and efficient consulting firm that contributes to the affiliates aims to achieve.

IMC aims to please by delivering superior quality work to its clients and ensuring to maintain their complete satisfaction. Products and services supplied do not only meet deadlines and requirements, these products surpass our clients' expectations and deliver in every dimension possible. Providing accuracy, thoroughness and competence; producing quality results. Results that truly depict an extension of IMC's vision and mission as a company.

Mission Statement

- Self-development - IMC staff goes above in consistent training to upskill their current skills, always leaving room for growth to explore new and better avenues, resulting in the contribution of a business that is seen to improve by the day.
- Client Growth - IMC staff ensure to upgrade their skills to broaden their knowledge to cater for their clients that work in various industries. Hence, it does not restrict the business to providing services in one field of work only, allowing for clientele expansion.
- Creating Change Through Business -Gaining experience and growth through failure helps to determine roles in businesses to implement and monitor change.
